WEBSITE CONTENT UPDATES:

At SportsWeb, we understand that maintaining an up-to-date and engaging website is crucial for sports clubs. That's why we are excited to introduce our affordable Website Content Update Service, priced at less than \$10 per week. Say goodbye to the hassle of managing website content and hello to the benefits of a professionally maintained online presence. Our dedicated team ensures your club's website remains current, dynamic, and tailored to your evolving needs. Enjoy the peace of mind that comes with knowing your online platform is in expert hands, allowing you to focus on what you do best – nurturing your club and engaging with your community.

Inclusions:

- **News Updates: (Four times per week)** Publish news on the website and share directly on your social media channels[^], optimising visibility and driving traffic to your site. Content may cover a range of topics such as results, milestone achievements, upcoming events, fixtures, announcements, team lineups, and more. The goal is to maximise the exposure of your site by consistently providing engaging and timely updates.
- **Annual Site Content Refresh: (Once per season)** Revise the content on each page for the upcoming season, incorporating new photos, videos, and text. Update Committee roles by introducing new members with their photos and names. This process applies to Committee members, Coaches, Players, as well as any new or updated season club policies and documents. Additionally, we can add new club premiership, history, and life member additions. Adjust merchandise related information, including updated pricing and stock updates^{*^}. This encompasses updating merchandise photos, introducing new merchandise, and modifying existing merchandise details. Update membership text and pricing for the upcoming season, including any external links (e.g., links to Playhq). Finally, make adjustments to sponsors by updating, changing, or removing them as necessary.
- **File Uploads/Deletions: (As needed. Average frequency ~ twice per week^{**})** We upload new/replace or remove photos, banners, videos, and documents. This includes changing sponsor banners, uploading event promotion graphics, adding photos/videos to the gallery, uploading new events to the "Events Store," and adding new items to the merchandise or membership store, among other tasks.

How It Works?

- **Supplied Content:** The Club agrees to supply the content they would like uploaded in the correct formatting (see attached table for detail). The content to be uploaded will not be modified by Sportsweb.
- **Agreed Upload Time:** The Club agrees to supply the content according to the attached table deadlines. If deadlines are missed, Sportsweb will endeavour to upload items requested as soon as possible, however the Club acknowledges there may be some delay as a consequence of missing the deadline.
